Description: The Base Park East provides some of the best value condos that you can currently find on sale in

Bangkok. This is a private re-sale for a 37m² – 1 bedroom unit. Positioned on 23th floor with fantastic premium views.

Consisting of 504 units in a 27 storey tower, the building sits next to it's sister tower "Base Park West". Part of the very popular "T77" Private Residential Community including Canal, Bangkok Prep School, and Habito shopping centre.

It is a perfect oasis from the busy Sukhumvit Road that will be very attractive for foreigners, students, and families alike. The entrance to the community is almost directly opposite Big C Extra supermarket, then just a short walk to the On-Nut BTS station which allows for rapid and easy transport through to Central Bangkok. There will even be a buggy service in and around the community for all residents.

Car owners will appreciate the fact that there is ample parking available beneath the tower and the location is just off one of Bangkok's inner ring roads, making it easy to reach all parts of the city, including Bangkok International Airport, which is located just 20km from here.

The spectacular views from The Base Park East can be enjoyed while you are swimming in the large infinity pool on the 5th floor, or while working out at the fully-equipped fitness centre which is also located on the 5th floor. On the 28th floor is a communal rooftop garden where residents can chill out or catch the sunset from a high vantage point.

With all these advantages, The Base Park East is an ideal choice for anyone looking for an excellent value-for-money development which is perfect as a short-term or long-term investment or as an affordable holiday home that can easily be reached straight from the airport.
