Description: WiZE Signature is a luxurious new development consisting of just 53 detached houses, which is

located in a quiet and peaceful part of East Chiang Mai.

Buyers have two sizes of houses to choose from at WiZE Signature called Wincenzo and Valencia. The Valencia models are three-bedroom/three-bathroom houses with a total internal living space of 235m². The larger, Wincenzo models are four-bedroom/four-bathroom detached houses with around 300m² of internal space. Both types of home are two-storey, detached houses which are built on sizable land plots ranging from 360-400m². All units are supplied on an unfurnished basis, but the developers have many furniture packs available so can tailor each villa to each client's needs. There is an option for buyers to have their own private swimming pool located on the grounds of their house for a small additional cost.

However, private swimming pools are not entirely necessary on this high-class development. WiZE Signature is a completely gated community which where buyers can feel totally safe and secure due to 24/7 security guards on duty plus CCTV camera coverage.

All owners will also be able to take advantage of the communal facilities available to the owners of houses on this exclusive project. These consist of a clubhouse which contains a fitness centre and large swimming pool. There is also a meeting room available for the use of residents.
